

## **New Habitat Home Sponsored by a Tyler Church**

Habitat for Humanity of Smith County is excited to announce that First Christian Church in Tyler has donated \$25,000 to help construct our 109<sup>th</sup> home on Tenneha.

We are hoping this house could be an all-faith build and the church would like to challenge other East Texas congregations to donate towards this cause. Any amount will help us reach our goal of \$100,000 for this next house.

This year Habitat is celebrating 30 years of helping East Texans with new homes and also critical repairs for our seniors, veterans and the disabled.

Please come and be a part of this project. Contact Rebecca Berkley if your group, business or you as an individual want to give towards this exciting build.

The wall-raising is scheduled for December 7 so help us raise this money so we can get another family in an environment that will have an impact on them for generations to come.
