

### **Habitat for Humanity of Smith County Monopoly Tournament Rules:**

1. Players must be at least 10 years of age and up and able to play the game unassisted. No spectators will be allowed to coach or give advice during game play. Players will be randomly assigned to tables.
2. Games will be up to 60 minutes in length. A warning will be called when five minutes of play is left. If a player is in the middle of a play when time is called; they may finish their turn. Volunteers or the banker at the table will tabulate the results. Once this is complete, please leave all game pieces on the table and volunteers will reset the games.
3. All players and spectators must wear a mask that covers their nose and mouth at all time, or you will be asked to leave the building. If you need to take a drink or eat a snack, please do so outside or away from other parties. This event has a large group of people inside in close contact with each other so at this time masks will be required.
4. A judge will make final decisions on any disputes during the game and their decision will be final.
5. After round one, the top player from each table will advance to the next round. Multiple rounds will be played until we come down to the final four. Prizes will be awarded to the top players.
6. The tournament will be played on a classic Monopoly game and play by the official rules which will be read to the players before the first game commences. We will answer any questions you might have.
7. A banker will be provided at each table.
8. No delay of game will be tolerated. Each player is expected to be ready to play when their turn comes back around.
9. This is a family atmosphere, and we ask that you watch your language, be gracious if you lose and remember this is a fun event to raise money for a non-profit.
10. No family members will be allowed to play at the same table. Only if they make it to the final rounds and it cannot be avoided. Cheating will not be tolerated. Please remember this is a fundraiser.
11. Players must be on time to the rounds they are playing and if the game has already started and they were late they forfeit a chance to play in the game any further.
